DMK Zero-Insertion-Force Rectangular Connectors, 10,000 Cycles

Zero insertion force · 60–260 contacts · 10,000 cycles

Contacts	60, 96, 156, 260
Current rating	5 A
Withstanding voltage	700 V
Temperature	–55 to +105 °C
Mating cycles	10,000

Key features

- Cam-actuated zero insertion force
- 60, 96, 156 or 260 contacts on a 2.54 mm grid
- Crimp contacts or PCB tails in three lengths
- 10,000 mating cycles
- 5 A per contact

Specifications

Electrical

Parameter	Value	Condition
Withstanding voltage	700 V	
Current rating	5 A	
Insulation resistance	≥ 5000 MΩ	

Mechanical and environmental

Parameter	Value	Condition
Durability	10,000 mating cycles	
Operating temperature	–55 to +105 °C	
Humidity	95 % at +40 °C
